

St. Joseph Antiochian Orthodox Church

2018 Membership Form

St. Joseph's General Fund does not receive money from the archdiocese, festivals, or galas; our members are the sole source of parish income. Occasional fundraising is for non-budgeted items, building projects, or special ministries.

Our Growing in Faith building campaign is not included on this form; please contact the church office.

The work and ministry of St. Joseph Church is made possible by tithing and pledging members.
